About this Guide

The Financial Services Guide (FSG) provides you with important information about First Financial Pty Ltd ('First Financial' or 'Licensee') and its Representatives, who will provide you with the financial services described in this FSG. It is designed to help you evaluate and make an informed decision about whether to use the financial services described in this FSG.

References in this FSG to 'me', 'I', 'us', 'we' and/or 'our' should be read as either First Financial or Representatives of First Financial, as the context requires.

This FSG consists of two parts:

Part 1 is a Financial Services Guide. It contains information about First Financial and the financial services offered under the First Financial AFSL, fees and benefits received by First Financial, and privacy and complaints handling processes.

Part 2 is an Adviser Profile and contains important information about:

- me as your adviser and as a Representative of First Financial;
- the financial services that I provide;
- our fee structure and the fees and benefits I receive;
- how you can contact me.

Together, the above documents form the complete FSG which we, as Representatives, are required to provide. We suggest you retain both parts of the FSG for your future reference. If any part of the FSG is not clear, please speak to me.

FEES AND BENEFITS

How I am paid for services provided

All fees and commissions disclosed in this FSG which are attributed to the services provided to you by me are paid to First Financial.

I receive a salary as an employee of First Financial. I could also receive a short-term incentive. My short-term incentive does not influence my advice, or any recommendations made.

Our fee structure

As part of detailed financial planning there are costs to you at various stages of the process. Before making any recommendations, I will discuss and agree the fees with you.

Advice fees are payable by you at the following stages:

Upfront Advice Fees

A fee may be payable for your initial appointment with me.

For preparation of a personalised financial plan (Statement of Advice – ‘SOA’), an SOA preparation fee is payable. The actual fee will depend on the complexity of your situation and the time it takes to prepare personal financial advice for you.

I may charge an implementation fee to implement the recommendations in your financial plan. This is payable when you decide to proceed with the implementation of any one or more recommendations that I provide to you. The actual fee will depend on the complexity of your situation and the amounts of funds invested.

| Type of Fee | Fee Amount |
|-------------------------|--------------------------------------|
| Initial Appointment Fee | Generally between \$220 - \$550 |
| SOA Preparation Fee | Generally between \$2,200 – \$10,000 |
| Implementation Fee | Generally between \$500 – \$5,000 |

Ongoing Advice Fees

If you choose to have me provide ongoing advice and reviews of your financial plan to ensure that your financial strategies and financial products remain appropriate to you. This fee may be a set amount, an amount based on the amount of funds under our advice or management, the time involved in reviewing your portfolio and circumstances, or a combination of two or all these methods.

As a guide, our fee structure is:

| Funds Under Advice/Management | Fee Rate |
|-------------------------------|----------|
| \$0 – \$500,000 | 1.21% |
